

SUMMER BY THE SEA

WELCOME TO SUMMER BY THE SEA 2021!

Connect to the coast from wherever you are in the state when Summer by the Sea goes online in 2021. The annual program will deliver a suite of presentations and activities online between 2 and 24 January 2021.

The month-long program offers a variety of activities exploring the rich and diverse natural and cultural values of Victoria's coastal and marine environments.

Check out the Summer By The Sea website for more detailed explanations of all activities:
