

### **KNOBBY CLUB RUSH**

Native endemic plants that shelter wildlife like Blue Tongue Lizards at Nuns Beach

### **POA GRASS**

This is where White's skinks hide and find food. Keep your eyes open you might see a skink hiding in amongst the Poa grass

### **SEA SPURGE**

DO NOT TOUCH, I AM A WEED AND POISONOUS

### **SEA ROCKET**

ANOTHER WEED ON THE BEACH

## **Nuns Beach – Find these endemic plants and weeds at Nuns Beach**

Parental Supervision recommended and remember to follow COVID-19 regulations

STATEMENT OF PURPOSE

THE VISION IS TO RESTORE THE PORTLAND CLIFFS THROUGH COMMUNITY INVOLVEMENT ACTION AND SUPPORT

**MAKE A LIST OR DRAW A PICTURE OF YOUR FAVORITE TREASURES YOU FOUND  
AT NUNS BEACH TODAY**
